### **By Underground / tube from the City**

Take the **Jubilee line** (grey line), direction **Eastbound until the station 'Canary Wharf'**. Change into DLR. Follow the signs 'Way out / DLR' for it from the platform in Canary Wharf (NOT the direction 'East Exit' in opposite direction).

Morgan' at the roof. Walk towards the J.P. Morgan building and cross the street at the pedestrian traffic lights in front of you. Turn right and pass the J.P. Morgan building to your left side. You will walk towards the high track of the DLR. At the end of the building, right at the high track, you have reached the DLR station 'Heron Quay'. Follow the signs 'Platform 1 Lewisham', take the next train and alight at the station 'Greenwich'. If you use oyster card, please do not forget to touch in before entering the train and to touch out in Greenwich; continue to read under 'Find building'.
